12. The Senior Counsel for the Petitioner Company states that the observations made by the Regional Director have been dealt with by the Petitioner Company in the Affidavit dated 28th November, 2018 in reply, dealing with the said RD's Representations as stated below:

13. As regards the observation in paragraph IV (a) and IV (b) of the said Representation, the Petitioner Company in paragraph 4 of the Affidavit dated 28th November, 2018 in reply has stated that in terms of clause 9.1 of the Scheme, the effectiveness of the Scheme is conditional upon the approval of DoT to the Scheme. This approval of the DoT is required to be obtained, under the guidelines for transfer/merger of various categories of telecommunication service licenses/authorization under the Unified Licenses on compromises, arrangements and amalgamation of the companies dated 20th February, 2014 (as amended from time to time), after sanction of the Scheme by this Hon'ble Tribunal. It is for this reason, the Senior Counsel for the Petitioner Company on instructions requests that, while this Tribunal may sanction the Scheme, the Petitioner Company be allowed to approach this Tribunal, to provide a fixed Appointed Date after the abovementioned approval of the DoT is received and before the Scheme is made effective. In support of the aforesaid our attention is drawn to
Section 231(1) (b) of the 2013 Act, under which this Tribunal has the power to give such directions in regard to any matter as it may consider necessary for proper implementation of the compromise or arrangement, at the time of making the order of sanction or at any time thereafter. The aforesaid gives power to this Tribunal to take on record the Appointed Date after the sanction of the Scheme. On reading Section 231(1) (b), it can be said that while a scheme of arrangement may be sanctioned, the actual date of the arrangement may be delayed till such time necessary pre-conditions are fulfilled. In any event sanctioning of the Scheme does not fetter the Tribunal from delaying the date of actual arrangement of the Petitioner Company. In the case on hand, the arrangement envisaged under the Scheme is dependent upon certain pre-conditions including approval by the DoT, in turn the approval by DoT is dependent on the sanction of the Scheme by this Tribunal. Further, with respect to IV (b) of the said Representation, Section 232(6) of the 2013 Act, the scheme shall be deemed to be effective from the Appointed Date. In this background, the Petitioner Company has provided an undertaking to this Tribunal that subsequent to the sanction of the Scheme by this Tribunal, the Petitioner Company will seek approval of the DoT and upon receipt of such approval, approach this Tribunal within 3 months and provide a fixed Appointed Date and a public notice be published in The Times of India (all India editions) in English language and a Marathi translation thereof in Maharashtra Times (Mumbai edition). The Petitioner Company undertakes that within 3 months of the Appointed Date approved by the Tribunal, the Petitioner Company shall file the consolidated Financial Statements of the Petitioner Company and the Balance Sheets of the Demerged Undertaking, as on the Appointed Date.
14. As regards the observation in paragraph IV (c) of the said Representation, the Petitioner Company in paragraph 5 of the Affidavit dated 28th November, 2018 in reply, has provided an undertaking that the specified date for the purposes of paragraph 1.16 (a) of the Scheme shall be the Effective Date.

15. As regards the observation in paragraph IV (d) of the said Representation, the Petitioner Company in paragraph 6 of the Affidavit dated 28th November, 2018 in reply, has provided an undertaking that the adjustments mentioned in Clause 7.2.1(v) of the Scheme shall be up to the Appointed Date.

16. As regards the observation in paragraph IV (e) of the said Representation, the Petitioner Company in paragraph 7 of the Affidavit dated 28th November, 2018 in reply, has provided an undertaking to this Tribunal that any amendment or modification to a provision of the Scheme, sanctioned by this Hon’ble Tribunal shall be carried out only with the leave of this Hon’ble Tribunal.

17. As regards the observation in paragraph IV (f) of the said Representation, the Petitioner Company agrees that the approval of the Scheme is subject to the Transferee Company obtaining the necessary approval of the NCLT, New Delhi Bench, to the said Scheme. The Petitioner Company has submitted that the Transferee Company has filed its Petition (Company Petition No. C.A (CAA)-138 (PB) of 2018 connected with Company Application NO. CA (CAA)-98 (PB) OF 2018) before the NCLT, Delhi Bench, seeking sanction to the said Scheme.

18. With regard to the observations in paragraph IV (g) of the said Representation, the Petitioner Company has stated that the provision on severability of the Scheme as set out in Clause 13 of the Scheme is a standard clause in schemes of arrangements and...
the purpose of including such a clause is that if some other authorities and regulatory bodies treat some part of the Scheme to be invalid, unenforceable or unworkable for any reason, even then the rest of the Scheme will function. The Petitioner Company in paragraph 9 of the Affidavit dated 28th November, 2018 in reply, has provided an undertaking to this Hon’ble Tribunal that severability of the Scheme as set out in clause 13 of the Scheme is not intended to enable the Petitioner Company to sever any provisions of the Scheme through an amendment.

19. With regard to the observation in paragraph IV (h) of the said Representation, the Petitioner Company in paragraph 10 of the Affidavit dated 28th November, 2018 in reply has provided an undertaking to this Hon’ble Tribunal that the Scheme annexed to the Company Scheme Application No. 194 of 2018 and the Scheme annexed to the Company Petition No. 3596 of 2018 (i.e. C.P.(CAA)/3596/MB/2018) filed by the Petitioner Company in this Tribunal, are one and same and there is no discrepancy or changes, therein.

20. As stated above the observations made by the Regional Director as dealt with by the Petitioner Company in the Affidavit dated 28th November, 2018 have been explained in paragraphs 13 to 19 above. The clarifications and undertakings given by the Petitioner Company, are accepted.

21. From the material on record, the Scheme appears to be fair and reasonable and is not violative of any provisions of law and is not contrary to public policy.

22. Since all the requisite statutory compliances have been fulfilled, the Company Petition No. 3596 of 2018 filed by the Petitioner Company is made absolute in terms of prayer
clauses (a) and (b). This order is subject to the sanction to the Scheme by the NCLT, New Delhi Bench.

23. This Tribunal will provide the necessary directions to the Petitioner Company, to file this order approving the Scheme, with the concerned Stamp Authority for adjudication of stamp duty and also electronically filing the order with the concerned Registrar of Companies, after the Petitioner Company receives the approval of the DoT and approaches this Tribunal and provides a fixed Appointed Date.

24. The Petitioner Company to pay cost of the Company Petition of INR 25,000/- to the Regional Director, Western Region, Mumbai. Costs to be paid within four weeks from the date of the order.

25. All concerned authorities to act on a copy of this order along with the sanctioned Scheme, duly certified by the officer of National Company Law Tribunal, Mumbai Bench.
